For Immediate release

Postponement of the Lafarge Lusaka Marathon 2020

(Lusaka, 18 March 2020), The Lafarge Lusaka Marathon Management has reviewed the guidance of health experts and the provisions of SI 21 & 22 of 2020 on Covid

- 19

and resolved to postpone the Marathon until September 2020.

The actual date will be announced after further guidance from the Ministry of Health and the World Health Organization on the status of the Covid-19.

At Lafarge Zambia, health and safety is our core value thus, the safety of both our partners and participants is of paramount importance.

However, online registration will remain open, and only close once we reach our target number of the participants. All registered participants will maintain their race numbers as the registration system has not been cancelled or altered in any way.

We sincerely apologize for any inconvenience this may cause and we look forward to building lives together in September 2020.
