

Postponement of the Lafarge Lusaka Marathon (LLM) 2021

Tuesday, 07 September 2021 20:10

(Lusaka, 07 September 2021), The Lafarge Lusaka Marathon (LLM) Management would like to inform the general public that the Lafarge Lusaka Marathon 2021 has been postponed to a later date, to be announced.

The postponement was arrived at after careful review and guidance of health experts on the country's vaccination rate and the continued effect of the provisions of SI 21 & 22 of 2020 on Covid- 19.

At Lafarge Zambia, health and safety are our core values. As such, the safety of our nation, participants, and Partners is of paramount importance to us.

However, all the LLM participants are encouraged to continue training and keep fit in the new normal. We have hope and believe that this will pass and we will be able to cement our fitness.

For concerns and clarifications, all participants are requested to contact the project office at lafargelusakamarathon@gmail.com or 0211 250153 or 0966 330516

We sincerely apologize for any inconvenience this may cause and we look forward to building lives together.
